**About Baikowski®:** Baikowski® has existed for a hundred years and is a leading manufacturer of specialist industrial minerals and, more particularly, of ultra-pure alumina powders and formulations as well as of other high-quality oxides and composites such as spinel, ZTA, YAG and ceria for technical ceramic applications, precision polishing, crystals and additives or coverings. The quality of Baikowski®'s products is appreciated by a variety of high-tech markets including the lighting, watchmaking, telephone, microelectronic, automotive, defense and medical industries. In 2017, Baikowski® achieved revenue of €40 million.
