About Baikowski®

Founded in 1904, Baikowski® is a world leader in the production of specialty industrial minerals, in particular ultra-pure alumina, as well as other oxides such as spinel, luminophores, zirconia and cerium oxide. These products are used in the composition of technical ceramics, precision polishing and additives. The quality of Baikowski® products enables it to address a wide range of high-tech markets, including electronics, automotive, green energy, aerospace, defence, medical and watchmaking.

Baikowski® has been committed to a responsible resource management policy for many years and is actively involved in the development of tomorrow's sustainable technologies. Baikowski® is present on three continents (France, USA, and Japan) and has commercial offices and agents in South Korea and China.

Baikowski® is listed on Euronext Growth Paris (ISIN: FR0013384369 - Ticker: ALBKK).
